EVERY YOUTH, A SUCCESS STORY

“During my internship, I learnt that there is no one-size-fits-all solution. At Trybe I improved my critical thinking and analytic skills. I also realised the importance of a social service agency as I saw how Trybe can impact so many lives.”

Joan Teo, Intern.

“It’s simply a joy to serve the youth and to see their lives transform through the leadership lessons and trainings. It is the joy that fuels me to volunteer at Trybe.”

Meng Wee, Trybe Volunteer.

“I really appreciate the staff who have journeyed with me through the time in Hostel. I’ve learnt the value of discipline and had a change in my attitude.”

Jackson, Trybe Youth.

“In the Hostel, Trybe staff Mr. Jacob would always say ‘All of you are like my son.’ But for us, he really is a father.”

Rishwan, Trybe Youth.

“When I was tempted to take drugs again, I would immediately call and inform my caseworker. He was the strong pillar of support that I needed during that time.”

Narish, Trybe Youth.

“Without my caseworker’s support, I could have easily fallen into depression.”

Theodore, Trybe Youth.

ABOUT US

Established in 1995, Trybe is a social service agency that specialises in working with youth facing adversities. Our vision “Every Youth a Success Story” steers youth away from risk behaviours, provides emotional support, improves family relationships and helps them to build a sound life foundation.

Trybe, an institution of a Public Character (IPC), is a member of the National Council of Social Service (NCSS). Our corporate values are resilience, integrity, service, and excellence.

As part of our intervention work, Trybe engages youth showing behavioural and mental health issues through programmes such as Chrysalis and Project ANCHOR, guiding them towards a positive lifestyle.

Our rehabilitation programmes aim to help the youth lead crime-free and drug-free lives. In 2011, Trybe has been appointed by the Ministry of Social and Family Development to manage the Singapore Boys’ Hostel (SBHL). SBHL is a gazetted institution that serves youth in the age range of 12 to 21. Trybe also managed the Community Rehabilitation Centre (CRC) from 2014 until 2020. The CRC is a community-based drug rehabilitation centre that serves drug first-time drug abusers between the ages of 16 to 21.

In an effort to provide after-care for youth probationers and ex-offenders, Growing Resilient Youth in Transition (GRYT), was launched in 2015. Through GRYT, we support youth who have left the institutions to integrate back into society.

As of 2015, Trybe also established the Overcoming Addictions Securing Youth’s Successes (OASYS) programme which aims to create early prevention and awareness among youth and offer treatment to youth who face issues related to substance addiction.

To strengthen the reintegration of our clients who seek sustainable career paths, Trybe launched Building Eco-systems (BES) programme. BES provides career development opportunities for young people and helps them gain skills, experience, and certificates that will qualify them for long-term employment. Furthermore, Trybe has partnered with Institute of Technical Education (ITE) and Ministry of Social and Family Development (MSF) to launch a career mentoring programme for ITE leavers.

To date, we have reached out to more than 150,000 youths through the different programmes and services for youths-at-risk, ex-offenders, and their families. In an ever-changing social landscape and the emerging complex needs of youth, we are continuously seeking new ways to develop and improve the services we provide in order to make a difference in the lives of our beneficiaries.
