In an ever-changing social landscape and the emerging complex needs of youths, we are constantly seeking ways to develop and improve the services we provide in order to make a difference in the lives of youths, their families and the community.

“During my internship, I learnt that there is no one-size-fits-all solution. At Trybe, I improved my critical thinking and analytic skills. I also realized the importance of a social service agency as I saw how Trybe can impact so many lives.”

- JOAN TEO, INTERN

“It’s simply a joy to serve the youth and to see their lives transform through the leadership lessons and trainings. It is the joy that fuels me to volunteer at Trybe.”

- MENG WEE, TRYBE VOLUNTEER

“I really appreciate the staff who have journeyed with me through the time in hostel. I’ve learnt the value of discipline and had a change in my attitude.”

- JACKSON, TRYBE YOUTH

“In the Hostel, Trybe staff Mr. Jacob would always say ‘All of you are like my son.’ But for us, he really is a father.”

- RISHWAN, TRYBE YOUTH

“When I was tempted to take drugs again, I would immediately call and inform my caseworker. He was the strong pillar of support that I needed during that time.”

- NARISH, TRYBE YOUTH

“Without my caseworker’s support, I could have easily fallen into depression.”

- THEODORE, TRYBE YOUTH
Established in 1995, Trybe is a social service agency that specialises in working with youth facing adversities. Our vision is “Every Youth a Success Story”. Our mission is that all youth are able to reach the highest potential in their successful lives. Thus, we are guided by our vision - “journey with youth who face adversities for lead purposeful lives, inspiring them to impact others.”

Trybe, an Institution of a Public Character (IPC), is a member of the National Council of Social Service (NCSS). Our corporate values are: resilience, integrity, service, and excellence.

Our rehabilitation programmes aim to help the youth lead crime-free and drug-free lives. As part of our rehabilitation work, Trybe engages youth showing behavioral and mental health issues through programmes such as Chrysalis and Project ANCHOR, guiding them towards a positive lifestyle.
